

28. March 1992

**E U R O - L E T T E R   n o .   3**  
(CoE/CSCE letter no 13 and EC-letter no 4)

This letter is only about the CSCE-process.

**B. The CSCE - CHD process**

Following the information in EURO letter no. 2 I can now add the very important piece of news:

The Norwegian foreign minister - Stoltenberg - did in his speech at the opening mention that "another case in point is discrimination on account of sexual orientation", see part of his speech attached.

People from DNF-48 has had a meeting with the Norwegian foreign ministry and it is their opinion that Norway will put our proposal on the agenda if they are supported by Sweden and Denmark.

Both RFSL and LBL has contacted the respective foreign ministries to ensure that, but I do not think that will be a problem to get support from Sweden and Denmark.

I think we owe our Norwegian friend a big thank for what they have achieved in this field.

I furthermore enclose a list a contact persons from Kurt Krickler - but be aware that some a the people might have changed.

COC has been in contact with the Dutch foreign ministry and they have answered "the usual way".

You have probably all found out that a crucial "not" was missing in EURO Letter no. 2!

The next EURO letter will be sent out just after the parallel activity in Helsinki next weekend.

Med k rlig hilsen

Steffen Jensen
